

PCS48HT

48-gallon cast aggregate receptacle with push-door top and plastic liner

Material

The 48-gallon receptacle is composed of 2" thick cast aggregate. The receptacle includes rubber feet and a vacuum formed high-density polyethylene push-door top with embossed "THANK YOU" message. The top lifts off for easy trash removal. The receptacle top also includes a 14" web security strap.

The reusable plastic liner is made of black high-density polyethylene.

The receptacle is designed to be portable, allowing for flexibility in placement.

Finish

The aggregate is cast in a durable epoxy resin that remains clear and bright throughout its life.

Color

See website or sales representative for color choices.

Assembly

The receptacle arrives fully assembled for immediate use on site.

Maintenance

Maintenance-free. To clean, spray with a power washer.

Warranty

5-year limited structural warranty from the date of purchase.
