

Boka

78 Gallon

Sophisticated Styling & Practical Elegance

This modern indoor waste & recycling container combines functionality and flexibility with a remarkably sleek design. It has been designed with terminals, convention centers, shopping malls and other indoor environments that demand fire resistant containers in mind. That being said, the Boka will be well-suited for any space demanding a high-end, elegant waste & recycling container. Boka is recycling redefined.

KEY FEATURES:

- Equipped with triangle lock, hinged lid and pivoted bag frame
- Self-extinguishing bin - the shape of the lid directs the combustion gases, cuts off the oxygen supply and extinguishes the fire
- Gas shock assisted lid design
