A stylish, trash receptacle with ultimate durability; the contemporary style of stainless steel provides a classy appearance. Ergonomically designed for easy and safe maintenance, these receptacles are perfect for museums, parks, malls, offices or other public areas that prefer an upscale, large capacity litter solution.

- Constructed of heavy-gauge 304-grade stainless steel to stand up to the toughest weather conditions.
- Locking door keeps liner secured and your personal discards contained within the trash receptacle. A key is included and additional keys can be ordered to keep on hand.
- Includes removable 20 or 40-gallon galvanized liner with built-in handle that easily slides out for disposal.
- Grab Bag™ clips on liner secure trash bag in place and rubber guard on liner protects floors.
- Covered receptacle keeps weather elements out and two large openings on either side provide convenient access for discards. 20 gallon trash opening: 10"W x 7"H, 40 gallon trash opening: 11.625"W x 7"H.
- Hinged door swings fully open making the trash can liner completely accessible for maintenance.
- Built-in storage compartment for extra trash bags provides easy maintenance and saves time.
- Protect your investment! Bolt-down hardware, included to secure trash receptacle to the ground.
- Optional stainless steel cigarette receptacle can mount to a wall or the Leaf View receptacle.
- Easy-access opening and oxygen-restricting design make cigarette disposal convenient.
- Hex key lock and unique lift-twist mechanism keeps unit in place and deters theft. See cigarette receptacle spec sheet for more information.
- 1-year warranty , Made in China
