

The Mount Everest Collection

Elegant, upscale waste containers in designer colors

With over 30 models and over 80 breathtaking colorful finish combinations available, the Mount Everest Collection is the largest line of diversified metal waste and smoking receptacles manufactured anywhere. In addition, a wide variety of sizes are offered to meet the needs of every public and commercial facility.

The beautiful, satin finished covers are formed by a hand spinning process from heavy gauge, seamless aluminum. They are satin polished by hand and finished with a permanent, high temperature baked powder coat finish. These materials and methods provide an everlasting tarnish and rust proof as well as scratch resistant surface.

Features:

- Choice of 27 attractive high temperature baked powder coat smooth and textured finishes.
- Choice of satin aluminum, tarnish proof satin brass, or matching finish on the heavy gauge hand spun and hand polished aluminum covers.
- Bodies are constructed with heavy gauge galvanized solid steel.
- These receptacles include a durable plastic inner container with a full lift out handle for easy removal of refuse and a non-corrosive aluminum bottom for added protection.
