recycle away Systems & Solutions

trash cans WAREHOUSE.COM

Polytec

The Polytec line offers large capacity and convenient ease-of-use. The heavy-duty units are designed to withstand the harshest of environments, in addition to being easy to maintain. Choose from waste, recycling, or a two stream station. The recycling bins feature mixed-recycling openings on both sides of the lid and the included recycling decals to encourage proper disposal. In addition, the dome top waste containers have the optional addition of a removable ashtray. The patented Grab Bag system and routed openings secure the trash bag in place.
